D: Gadsby 1826

Gadsby 1826 is the triplet sister to Gadsby 1825, the buck that we own with Paul and he was the sire of his Champion Ewe here in 2021. "Big Block" worked awesome for us in 2023 and the fall ewes that were kept back that year are turning into powerful females.

This guy has the same style and look as his sister did. If you are hunting a fun one to show that will breed consistent, look him over.

S: "Maverick" QMF 844 '21 P752036

D: QMF 685 '17 P727154

A chip off the old block - just like "Maverick" - this fall ram is dead level, square hipped with wide base at the ground. He could help any program from a structure standpoint and also very flexible on the move. His dam is the oldest ewe on the farm so this guy comes with proven maternal pedigree. And she's an easy breeder, easy lamber, always raises good ones with no drama.

One of the favorite ewes in our yearling pen and always the first pick of visitors viewing the pen. She is complete and correct in every area and stout featured at the ground. Plenty of bone and carries that up to big rib and pin set. All while being really smooth chested and shouldered. Maternal dam is LA106, a twin sister to "Heritage".

Ultra pretty, short bladed, long bodied while still being square at the ground and balanced in her profile. We showed her as a fall lamb and she is extended upfront and progressively wider as she goes back. "Maverick" stamps them correct and with a little extra stretch. Crouch 1916 was Res. Jr. Champion at NAILE several years ago and consistent high-quality producer.

A really neat made lamb that should be worth your appraisal! Made right with the right look along with the right DNA. 4504's dad is one I ran my mouth about the first time I saw him in Jerseyville, that he was non-offensive. AND you know Cruz will beat it like a dead horse when you say something he can get a dig in on you for years to come. I may have said he looked it, but certainly does not breed that way! When he hits, he hits big time. This lamb is one of those hits. 43059 is as close to a twin sister to our popular 2nd place yearling ewe from last year's sale as she can be without being her twin sister, Albino Giraffe X Reynolds X Valley View. Dam of our ewe lamb entry is the grandma of this guy. I think you can see that those that trace back to the Valley View ewes with a NSF daddy, seem to work!

A lady that sticks her head up giving you that hey look at me, but has the right kind of maturity and running gear to ride all the way to the green shavings. The only time this one will not be in the hunt, is when a judge falls in love with the Agobers showing against her early in the summer. Her daddy is an Albino Giraffe X Harper's Honey, who gathered the big banner in the fall of 2023. The Okapi X Valley View cross in J-Vegas is one of the most consistent there is. 359 seems to be showing that she and her offspring work consistently to make sheep that will work in the Dorset breed.

Very special show lamb with incredible bloodlines! The sire of this lamb is the Egan ram lamb we arranged with Bob to keep as a stud. Unfortunately, he got a kidney stone and we didn't catch it quick enough to save him. This is his only daughter and wouldn't leave the farm if she wasn't our top fall ewe lamb. We always feel like we need to bring our best to Ohio. Egan 613 is arguably the best "TD" son we have had to date and was out of the great Egan 596 stud ewe that never misses. Loenser 41-22 is a twin to the mother of Lot 93 - Spilde 9662. 41-22 and 42-22 is a pair of ewes that were tough to wrangle away from Dennis. Futurity nominated

Despite the train wreck of a year that I call 2024 with the passing of my father, Roy, we're still here supporting the sale as we always have. Our lamb numbers were smaller than normal with quite the number of ram lambs and this guy topped the list as he walked his way through the barn. With all that said, Sly Abe lambs have done well at this sale in the past and I feel like this guy could be the next on that list. I really admire how this dude is put together on all 4 corners and comes with the depth of body profile that all Sly Abe lambs have. His mom is a Mr. Indiana daughter and his grand mother dates back to some Turtle Mead genetics. Check our facebook page out for pictures and other comments leading up to the sale!

Iceman as many of you know was purchased from the Hodel's 2 years ago at this sale and then sired the buck lamb that sold to Reynold's last year. The lambs we've gotten out of ice come on like freight trains with time, but this girl was one that caught my eye from the jump. She's one of those sheep that has a super feminine appeal and is easy on the eyes. 432R is one I'll be super curious to see with how she turns out from a pedigree standpoint as she's a bit different than the rest of our sheep. Her mom, 406R, is the only ewe we got out of the Purple Ribbon ram a few years ago that we called On Deck (Pine Knob 1712 x Dover Genetics 1745). 432R could be an intriguing one by the time summer rolls around. Balfanz 4385 was the National Champion Slick Frame Ewe in 2020 and Reserve Slick Ewe Overall at NAILE. This ewe has made quite the statement here as her offspring have been majorly impactful and highly sought-after with strong success in the show ring. She produced a set of twins in 2022, the ram WD 1203 "George" was shown by Rachel Gately and was Reserve Champion Dorset Ram at the 2022 Big E and is currently working in California for Johnny Johnson, and more notably, sired "NORMA JEAN" the 2024 National Champion Dorset Ewe and Supreme Ewe for Linsey Eddy in the NAILE Jr Show. His twin sister was pick of the yearlings by Jeremy Bradford and won her class at NAILE 2023. 1321's twin sister has been burning her own trail as she was the Champion Dorset Ewe at the Keystone Open Show and won her class both days in Louisville as well as earning Reserve Sr Champion in the Jr Show for Parker McCrumb. This consignment has lambs on the ground in NY and can be a sheep that will maintain size while contributing body, muscle, and hip shape in your next generation of Dorsets.

112-Ram Entry

We kept back 2 really nice October ram lambs this year and I haven't decided which one to bring here. One is sired by "MJ" and one is out of the Spilde ram. Both are out of two of our best ewes. Watch for pictures on our Facebook page!

This year marks 30 years of raising Dorsets and we always love bringing some of our best yearling ewes to this sale. This yearling might be one of the best we have ever brought here. Her sire, "Captain" is a "Sam Whiskey" son and a full sib to our junior champion ewe here in 23. Tyler called us on this ewes mom when he had her at Sadelia and we are glad he did because she grew out to be a big ole ewe and has knocked it out of the park every year in the lambing barn. We are pretty excited to offer a ewe of this caliber!

Another high quality yearling ewe that is really coming on at entry time. TRD 2222 was 1st place spring ram at OSF in 23 but unfortunately lost him so only got to use him for one breeding cycle. His sire was "Foundation" who was also the sire of our reserve senior champion ewe here last year. This ewes mom is a "Sam Whiskey" daughter and out of TRD 1808 who champion ewe at Ohio and Kentucky State fairs as lamb in 2018. Really good and predictable genetics in this girl!

We had over 20 fall lambs this year and probably the best group of lambs we have ever had. These two fall ewe lambs are coming right off the top of that group. "MJ" is a "Captain" son we used for falls and then sold him in the Illinois online sale where he sold to Stunkel Dorsets. Nichols 2222 was high selling ewe in their online sale a couple years ago and is a Calculated Risk daughter and is full of the "Sweetness" line. This ewe lamb is really upheaded and has a beautiful Dorset head.

TRD 1903 is a Morals daughter and full sister to "Masterpiece" who was junior champion ram at NAILE in 18 for us. This ewe cranks them out every year and we have kept every female she has had up to this point. I think this one will be a fun one to show this summer. Both fall lambs will be futurity nominated

My first ever public auction Dorset entry. I've been interested in Dorsets for several years and finally the last 3 years I've jumped into it. This Buck is pretty awesome, out of an AI Samson son who's twin brother sold here last year. Samson needs no introduction!! The dam of this buck is an Egan ewe I bought here couple years ago she's been tremendous!! Wish I had 10 more like her!! She's got awesome pedigree as well!! This buck has mass, very nice front end with good top along with bone and great on feet and legs. If I had more Dorsets I'd probably keep him but he's my entry. Look him over! I think he's a stud buck!!

D: P750168 "Baby Jane" PKF 2141

Massive ram with big bone and tremendous depth of body. "Baby Jane" hasn't missed yet. Her first lamb ever was "MBJ", and we have brought you her next set of lambs this year. We are putting it all on the line offering you our best. Both "MBJ" and "Hazy Jane" have made an impact in the PKF flock with a super set of lambs on the ground in Somers. This guy is a proven stud - ask to see his offspring!

D: P738591 PKF 1922

Our fall lamb crop is primarily sired by "MBJ" and we couldn't be happier with the decision to fresh AI with this young stud. "MBJ" is our 1st place yearling ram at NAILE this past year who was recognized by many for being massive. Most importantly, his first lamb to hit the ground was the Grand Champion Ewe at NAILE - "Phoebe". There are multiple buck lambs in this crop that get us real excited. We are bringing you 2503 - one of the RR bucks that emulates his dad's breed character and hip. This one is the biggest boned, widest topped, and deepest flanked buck at the time of entry.

S: P746800 "Bravo" PKF 2103 AI

D: P731457 Turtle Mead 1727

We are bringing you two hellacious yearling ewes. 2414 is picture perfect and one of the last "Bravo" daughters you will have the opportunity to purchase. Her twin sister was our popular 3rd place ewe lamb at this sale last year selling to Josh Kendrick. The ewe catches my eye practically every day as she prances around the pasture stopping to strike a pose worthy of the green shavings.

D: "Baby Jane" PKF 2141 P75018

After our very humbling performance this past fall in Louisville, we committed to bringing the best set ever to this year's National Sale. I won't lie, this was very hard to stay committed to...but here she is. 2426 is the first ewe to ever be offered at public auction out of the "Jane" family. "Annie" made "Jane" who made "Baby Jane". Every single female born in this family has been stellar in the show ring AND in the lambing barn. They are the heart of the PKF Dorset Flock. 2426 is a "Doctor's Orders" to boot; many of you know how well that ram has worked in Connecticut. Don't pass up the rare opportunity to own a piece of this family who also has the potential to be a finalist in November!

D: PKF 2010 P742018

Our top two September ewe lambs are coming to the National Sale. This ewe lamb combines her dam's elegance and femininity with the frame of her daddy "MBJ". PKF 2010 is our favorite "Honest Abe" daughter thus far; her productivity spans the show ring and the lambing barn. 2509's rapid growth is keeping her green right now, but that just means her future for this coming show season is super bright!! There is so much left in this ewe lamb's tank! She will be futurity nominated.

"Rooster" returned home from Klampe's last year and is continuing to make his mark. SLF 771 dammed our popular ewe lamb in last year's online sale who stood 3rd in the NAILE open show for Taylor Crouch. Here is our favorite fall ewe lamb. You'll understand why when you look for yourself. She will be futurity nominated.
