Lot 452 Fall Ram Lamb
Pine Knob Farm 2203
 B – 9/2/21 RR
 S – Pine Knob Farm 2048
 "Max" QR
 D – Pine Knob Farm 1746 RR

PKF is a maternal sib to the Reserve Champion Ram at this sale last year selling to Ohio for \$1500. PKF 1746 was born to an Erdman ewe shortly after their arrival here in CT. "Max" is the tight-hided, heavily muscled yearling ram we showed last year. This September ram lamb has a unique pattern for a Texel – he's jack-fronted, typey, well-muscled, and has great breed character. He should make lambs that pop out on their own easily! Delivery to Sedalia is available for all our entries here.

Lot 453 February Ram Lamb
Pine Knob Farm 2223
 B – 2/8/22 RR
 S – Pine Knob Farm 2005 RR
 D – Pine Knob Farm 1605 RR
 Here is your opportunity for an elite stud buck! PKF 1605 is the dam of the 2021 National Champion Ram. This February ram lamb is powerful!! He should be headed to the National Sale, but we've elected to bring him here to the Ohio Showcase Sale to offer a great one at public auction on the Eastern side of the United States. Don't miss out on this opportunity!

Lot 454 Yearling Ewe
Pine Knob Farm 2137
 B – 2/12/21 Tw. RR
 S – Pine Knob Farm 2044 RR
 D – Old Quarter Farm 1924 RR
 This ewe is straight out of the keeper pen...you better run quick with her before I change my mind. These are the type of stud ewes that work year after year for us here at PKF. Her mom has been nothing short of phenomenal in the lambing barn. If we didn't have twin ewe lambs out of her again this year, 2137 would not leave Somers, CT.

Lot 455 Fall Ewe Lamb
Pine Knob Farm 2208
 B – 9/4/21 Tw. QR
 S – Pine Knob Farm 2048
 "Max" QR
 D – Artesian Valley TN 12620-0198 RR

We took a trip to Tennessee during Covid quarantine in 2020 and couldn't leave the Oller homestead without making an offer on a little baby lamb, Artesian Valley TN12620-0198. She has gone on to be a typey and productive ewe. PKF 2208 is a tight-hided firm little ball of muscle that could get along in breed class or go on to win a Texel market lamb class. Be sure to check this one out! Futurity nominated.

This stylish ewe lamb is a maternal sister to "Whiskey", our lead stud buck in 2020 and is sired by "Outlaw", a grandson of Rare Legend. Outlaw, being known for his bone and great breed character, has passed that to his offspring well. Her straight lines, long neck and feminine front end should make her an elegant show piece. Her flashy profile gives her all the characteristics to be a powerful show ewe and a great brood ewe for years to come.

Check out this lamb! We acquired a new ram from Dover Genetics and boy did he work with our girls. Combining him with the dam of this ewe who goes back to Wallpe genetics and we got a slam dunk. This ewe continues the tradition of the great breed character we are so proud of in our flock and also carries fantastic depth of body, a great top and hip and it's all carried on a solid set of feet and legs. We were blessed with a lot of ewe lambs again this year. Because of this, we are willing to part with this ewe lamb. Feel free to give us a call with any questions.

The tradition of bringing a lamb that goes back to our amazing Sandoval ewe continues. The mother of this lamb is the twin sister to the ewe we sold in the Ohio sale a few years ago who went on to a fantastic show career for the Averill family in Maine. This lamb is also out of our new Dover Genetics ram and she is a show stopper. She is very pretty headed and super fancy. She also has a great top and hip in her and walks like a runway model. Her mother blessed us with triplets this year and we decided to bring the best of the three to this sale. Feel free to give us a call with any questions.

Lot 868 Yearling Ram
Reynolds Stock Farm 2124
B: 10/5/20 Tw. RR
S: Pope Dorsets 283
D: Reynolds Stock Farm 1314

We've all been there, when great rams come along you just have to own them! Last spring, we were given the pick of the fall ram lambs at Reynolds Stock Farm and we chose RSF 2124. His pedigree drew us in and his phenotype sealed the deal in our selection. RSF 2124 is sired by Pope 283 and dammed by RSF 1314, who was a "Samson" daughter. RSF 1314 was a Louisville class winner and is royally bred! She is a full sister to "Simon" and is a maternal half-sister to RSF "Benchmark" and RSF "Iron Mike". This ram was successfully shown last year, placing 2nd to our other RSF ram at the All-American Junior Show. Mike informed us that this ram's twin sister will headline the RSF show flock in 2022. We love his pedigree, but because he is bred so similar to our ewe base, we've decided that he will be under utilized at our place and needs to go to a flock where his true genetic potential can be appreciated. Don't miss this opportunity to own an outstanding stud prospect!!
